SWACHHTA PAKHWADA

“Don't litter, it takes a few seconds to throw garbage, but it takes years for it to decompose.” “Clean surroundings promote a healthy lifestyle. Let's keep our environment clean.”

KENDRIYA VIDYALAYA INS VALSURA

If we will not protect nature, nature will not protect us. Cleanliness should not be foreseen for it brings hygiene. Let's make the right choice and use dustbin. Go green keep this planet green!

"Education is the key that unlocks the golden door to freedom."

KENDRIYA VIDYALAYA INS VALSURA

Swachhta pakhwada, a significant movement in India that began in April 2016, is a 14-day campaign with the aim of calling attention to environment concerns by integrating ministries and government agencies. However, it is more than just a campaign for 14 days; it serves as an inspiration for long-term change. The habits formed during this program frequently last longer than two weeks and will eventually lead to the adoption of a clean and sanitary lifestyle.

परिचय

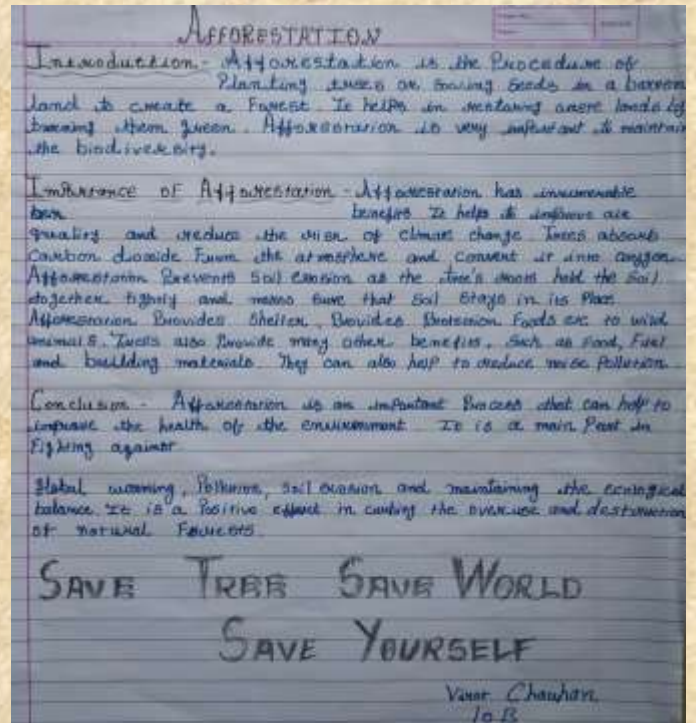

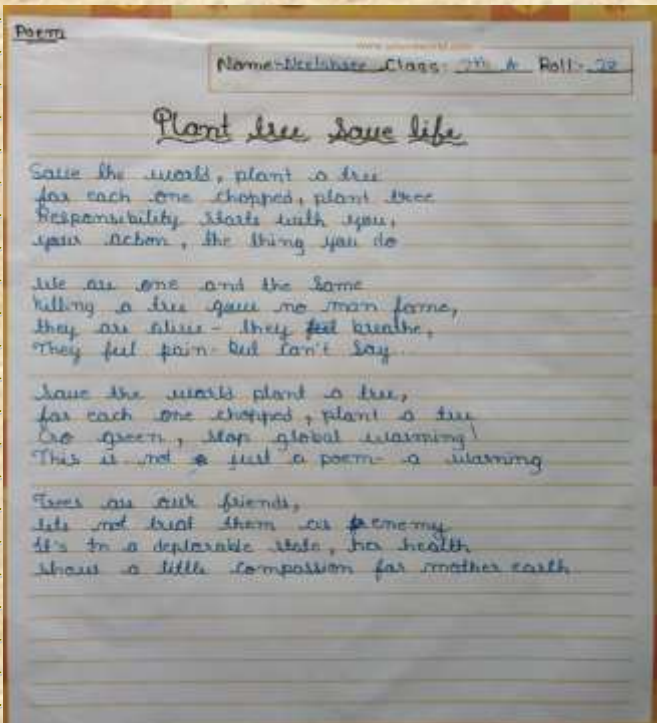

सबसे पहले हम सभी को विद्यार्थियों से पूरा पहले के लिए खुद की व्यक्तिगत स्वच्छता पर ध्यान देना होगा। व्यक्तिगत स्वच्छता का मतलब है कि अपने कपड़े की हर तरह से स्वच्छता। जिस कारण हमारा शरीर हर तरह के बीमारियों का संक्रमण होने से दूर रहेगा। इससे हमें कई भारी तबीयतें हैं, जिसकी वजह से हम अपनी व्यक्तिगत स्वच्छता अच्छे से रखें। जैसे कि अगर हम लोग अपना अपना दुना पानी पीवेंगे, हम लोग पानी से पीने वाले बीमारियों से दूर रहेंगे। हमें हमारा घर का बनाया हुआ भोजन मत खाना-ताना और पीने को अपने खाना खाकर, जिससे हमारे शरीर पर बीमारियों का खतरा नहीं है। इस परीक्षा अर्थात् की वजह से हमें बिना के संक्रमण का खतरा नहीं होगा। हम जो भी सड़क या जल कचारा में लेते हैं, उसे घर में लाकर स्वच्छ पानी से अच्छे से धोना चाहिए, जिसकी वजह से इस जल और सड़कियों के कारण मौजूद सभी बीमारियों और खतरों से दूर रहेंगे।

इससे ही हमें भारी तबीयतें हैं, जिससे हम अपनी व्यक्तिगत स्वच्छता का खयाल रख सकते हैं।

“Save trees, save the earth; we are the guardians of nature’s gifts.”

It is no rocket science to understand that cleanliness is very important in maintaining the health of the family members and the whole nation. As lack of cleanliness and hygiene gives rise to a number of germs. This leads to several deadly diseases ultimately affecting the health of the overall nation. Thus to lead a healthy lifestyle we need to adopt cleanliness in our daily routine. Cleanliness is not only a necessity but it can also become a habit. A responsible person is also a clean person. By adopting cleanliness in our home and surroundings, we will contribute to building a healthier nation. A smile is contagious so is cleanliness. When you see a person or a home clean, it also motivates you to clean your surroundings.

GANDHI JAYANTI CELEBRATION

Gandhi's life was a testament to simplicity. He wore simple clothes, lived a modest life, and believed in the dignity of manual labor. He said, "Be the change you wish to see in the world." This reminds us that change starts from within.

Swachh Bharat Abhiyan, our nation's cleanliness drive, is a fitting tribute to Gandhi's emphasis on hygiene and sanitation. He believed that cleanliness is not just about physical cleanliness but also about a clean mind and heart.

Equality was another principle close to Gandhi's heart. He fought against the evils of caste discrimination and worked tirelessly for the upliftment of the oppressed. His efforts paved the way for a more inclusive India.

Today, as we remember the Mahatma, it's important to reflect on how his teachings are still relevant. In a world filled with strife, Gandhi's message of non-violence and truth is a guiding light.

KENDRIYA VIDYALAYA INS VALSURA

On Gandhi Jayanti, let's pay our tribute to the messiah of non-violence and take leadership in creating better polity in India, to build a best India! It is a day of celebration. It is a day to value a special person, the person who is the 'hero' of our nation, who taught the world the lesson of non-violence.

KENDRIYA VIDYALAYA INS VALSURA

Mohandas Karamchand Gandhi, is reverentially described as the father of India. With a fitting leadership to the freedom struggle in India, Gandhi played a pivotal role in securing freedom for India from the oppressive British rule.
